

The Connecticut Society for Cardiac Rehabilitation (CSCR) welcomes you to join our organization to help educate and promote cardiac health and rehabilitation!

About Us

Our purpose is to improve clinical practice by promoting scientific inquiry and advancement of education for healthcare professionals and for the public related to cardiovascular rehabilitation and secondary prevention of cardiovascular and peripheral artery disease.

The goal of our society is to enhance the communications between professionals and students by fostering and promoting the interchange of ideas, offering mutual support, and encouraging professional development. Together we support the development and maintenance of quality rehab programs across the state!

Membership Benefits

- Networking opportunities
- Enhanced communication between professionals and students
- Quarterly virtual meetings
- Committee involvement and CSCR leadership opportunities
- Connection with American Association of Cardiovascular and Pulmonary Rehabilitation (AACVPR), the national society
- The 2021 membership will run from 1/1/2021-12/31/2021.
